Overview of the 2002 AP World History DBQ Context and Significance of the 2002 Exam The 2002 AP World History exam was notable for its broad scope, covering human history from prehistoric times through the 20th century. The DBQ prompt focused on understanding historical change and continuity over time, encouraging students to analyze different periods and regions. The 2002 DBQ often asked students to examine

themes such as political development, cultural interactions, economic systems, or social change. Familiarity with the specific prompt and documents from that year provides insight into the types of analytical skills and knowledge needed to succeed. The Typical Format of the DBQ The 2002 DBQ generally included: - A prompt that posed a question about a specific historical theme or period. - Several primary source documents—such as excerpts from historical texts, official records, or personal letters. - A requirement to develop an argument that addresses the prompt using evidence from the documents and your own knowledge. The goal was to craft an essay that not only summarized the documents but also analyzed their significance and connected them to broader historical processes. Analyzing the Documents Effectively Step 1: Read and Annotate Begin by carefully reading each document, noting: - The author's perspective and potential biases. - The main idea or argument of the document. - The historical context in which the document was created. - Any connections between documents. Annotating helps identify key points and themes, which are essential for developing a strong thesis and supporting arguments. Step 2: Categorize the Documents Group documents based on themes, time periods, or perspectives. For example: - Documents supporting a certain argument. - Documents presenting contrasting views. - Documents providing background or

context. This categorization allows for a nuanced analysis and helps in structuring the essay logically. Step 3: Develop a Thesis Statement Your thesis should directly respond to the prompt and incorporate the main argument supported by the documents. It should be specific, clear, and serve as a roadmap for the essay. Step 4: Use Documents as Evidence Integrate the documents to substantiate your points, citing them appropriately. Remember to: - Quote or paraphrase documents. - Explain how each document supports your thesis. - Address any contradictions or limitations within documents. Step 5: Incorporate Outside Knowledge Enhance your essay with relevant historical facts and examples beyond the documents. This demonstrates a broader understanding of the period and strengthens your argument. Structuring the DBQ Essay A well-organized essay is crucial for clarity and coherence. Use the following structure: Introduction - Contextualize the prompt with background information. - Clearly state your thesis, outlining your main argument and how you will support it. Body Paragraphs Each paragraph should focus on a specific point supporting your thesis. Follow this structure: 1. Topic sentence that states the main idea of the paragraph. 2. Evidence from documents, integrated with analysis. 3. Outside knowledge to strengthen the point. 4. Analysis of significance, explaining how this point contributes to answering the prompt. Conclusion - Summarize your main

points. - Restate your thesis in light of the evidence discussed. - Offer a broader perspective or implications, if appropriate. Tips for Writing a High-Scoring DBQ - Answer all parts of the prompt thoroughly. - Use a variety of documents to demonstrate breadth. - Be analytical, not just descriptive—explain why documents matter. - Balance document analysis with outside knowledge. - Maintain clear and logical organization. - Use proper citations when referencing documents. - Proofread your essay to correct errors and improve clarity. Understanding the Scoring Criteria The AP graders evaluate DBQ essays based on four main categories: 1. Thesis and Argument Development (0-1 point): A clear, historically defensible thesis that addresses all parts of the prompt. 2.
